## EVARISTO RED 2019

**TYPE:** Still **COLOUR:** Red

**DESIGNATION OF ORIGIN:** Vinho Regional Lisboa **REGION:** Lisboa

**COUNTRY OF ORIGIN:** Portugal

### THE WINE

A newly developed brand for a beverage that is easy to drink and speaks the language of young & urban consumers alike (light-hearted, unique, cool), where the critical factor is not region or being from Lisbon, rather the brand's character and the easy-to-drink beverage.

### TASTING NOTES LAST TASTED: 2019

Ruby, dense, with a vivid red tonality. Intense with vibrant red fruit, traces of jam and ripe cherry. Good volume in the palate, providing an easy tasting and with a balanced presence

### HARVEST YEAR

This was a year marked by high rainfall values throughout the vineyard's vegetative cycle and by low temperatures. The background then changed with the arrival of August, when there was a significant increase in temperature and no rainfall. Hence, the maturation of the grapes occurred in excellent conditions, originating wines with an excellent aromatic expression and a very well integrated acidity.

**WINEMAKER:** António Braga

**VARIETIES:** 50% Touriga Nacional, 20% Syrah, 20% Cabernet Sauvignon, 10% Alicante Bouschet

### WINEMAKING

Grapes were harvested by variety. Upon arriving at the winery, the grapes are destemmed and carried to fermentation vats, where the vinification process occurs. Alcoholic fermentation took place for around 8 days, at an average temperature of 26 °C.

### MATURATION BOTTLES PRODUCED: 42000

After the alcoholic fermentation, the must was racked to separate the wine from the rough sediments. It then rested in stainless steel vats up until the bottling day.

### STORE

Store the bottles horizontally. This wine's fresh and fruity profile suggests an immediate consumption, though it does have an estimate of positive ageing of at least 5 years.

### SERVE

Serve at 15 °C - 17 °C

### ENJOY

The balanced profile of this wine and the easy tasting it provides make it suitable to be drunk outside mealtime. It is also a great combination to be enjoyed with grilled meat and cheeseburgers.

### TECHNICAL DETAILS

Alcohol: 13% ±0,5 | Total Acidity: 5,5 g/L ±0,5 (tartaric Acid) | Total Sugars: 5 g/L ±1 | pH: 3,6 ±0,1

### NUTRITIONAL INFORMATION (TYPICAL VALUES FOR 100 ML)

Alcohol: 10,3 g | Sugars: 0,5 g | Energetic Value: 80 Kcal (334 kJ) | Suitable for Vegetarians: No | Suitable for Vegans: No | Gluten-Free
