

FRAMINGHAM

Marlborough Sauvignon Blanc 2019

Framingham Marlborough Sauvignon Blanc is designed to be typically Marlborough in style, with a few twists. We like to focus heavily on the texture of the wine, giving it some richness and mouthfeel so that it is not lean or austere. Consequently, it pairs easily with food on the table, but can also be satisfying drinking when food is not involved.

SOURCE

REGION

Wairau Valley, Marlborough

SUB REGION

Lower Wairau, Rapaura,
Blenheim, North Bank,
Conders Bend

VINEYARDS

Eight sites, all of which bring something different.

SOIL TYPE

Various, including stony, old river bed, clay and silty loam.

ANALYSIS

TOTAL ACIDITY

6 g/l

pH

3.35

ALC

13.0% vol

WINE MAKING

Each parcel of fruit is kept separate in the winery. Juices were predominately fermented in stainless steel using several different treatments, however 11% of the final wine was fermented in oak and acacia containers. A small (c. 5%) component was fermented on skins. A portion of the blend was aged on full ferment lees for three months, the remainder on light lees.

TASTE

Smoky aromatics, with flint, bitter lemon citrus, grapefruit and suggestions of tropical fruit salad. Rich, fleshy palate with good mouthfeel, texture and harmony. Flavours of yellow citrus, currant, stonefruit and sweet herbs.

FOOD MATCH

All kinds of seafoods, salads.
